## Message

It is great pleasing to me that, BIAM Laboratory School & College Bogra is going to bring out it's long awaited 2nd edition of Annual Magazine. The publication of a school magazine stirs the latent literary talent of the students & encourages them to come out with their creative potentialities as ultimate writer. I hope they and their todays obscure, oblivious and blinking vision and thinking will one day become overladen with thoughts and ideas, knowledge and wisdom through the regular publication of the magazine.

The step to publish a magazine is undoubtedly tiring & laborous. So I convey my heartiest appreciation & gratitude to all of my benevolent teachers & staff. I also express my love and affection lies deep in my heart to my little angelic kids. My Thanks is also to all who are associated with the publication of the magazine directly & indirectly.

I wish all succss of this annual magazine "**The Lenient**".

**Md. Fazlul Haque**

**President**  
BLSC Bogra  
&  
Deputy Commissioner, Bogra

## Message

The latent talent of a student finds its way to be flourished through the publication of a school magazine. Merely teaching and learning is unable to bring out the full potentialities of a child. A school Magazine helps the little school kids to come out of the four walls of a school and provides with the opportunity of various kinds of growth and development. So, the step to bring out the 2nd issue of the school magazine of BIAM Laboratory School and College Bogra is undoubtedly praiseworthy.

I hope the continuous publication of the school magazine will stir the innate literary talent of the little angelic kids and help them to nourish their amateur and untied thinking to be well seasoned.

I convey my love and affection to the little kids, the pen warrior of the magazine. My heartiest gratitude is to the committee & editorial board and thanks to the sponsors and all concerned teachers, staff and well wishers. I also acknowledge all sorts of efforts from all corners.

I wish all success of the 2nd issue of the school magazine **"The Lenient"**. May Allah bless all of us!

**Md. Ashraf Uddin**

**Vice-president**  
BLSC Bogra,  
Joint Secretary &  
Chief Executive Officer  
Zila Parishad, Bogra

## Message

I am highly pleased to hear that, BIAM Laboratory School and College Bogra is going to publish its 2nd issue of school magazine. A school magazine plays a vital role to nourish the literary and artistic talent of the tender aged boys and girls. Thus, different kinds of values including literary and artistic values grow in the little kids. Children can share their joys and sorrows, knowledge and wisdom, thinking and ideas through a school magazine.

I hope the publication of the second issue of the magazine will provide a great opportunity to discover and flourish the dormant literary talent of the little angelic stars and thus it will entertain us all.

I convey my thanks to all who have direct-indirect contributions behind bringing out the magazine.

I wish all success of this magazine "**The Lenient**".

**Md. Anwar Hussain**

Vice-president  
BLSC Bogra  
&  
Director, BIAM Foundation Bogra.

## Message

It is immensely pleasing to me that BIAM Laboratory School & College Bogra is going to bring out its Annual Magazine of 2015. Undoubtedly such an artistic work will express the glory and achievement of the institution. The magazine will also provide the opportunity of literary expression to the little students of the school and college and give entertainment to the readers of it. Through the publication of the magazine today's reader will be encouraged to be tomorrow's writer. I hope that all kinds of human-fellow feelings and values will grow in the little boys and girls through the continuous publication of the magazine.

It is my firm belief if the present relentless endeavor continues the institution will one day attain success in all spheres and name & fame throughout the country.

I wish all the best to all concerned and success to the school magazine.

Md. Tahmidul Islam

**Principal**

BIAM Laboratory School & college Bogra

## Message

First of all I remember the great grace of Almighty Allah that, this year BIAM Laboratory School & College Bogra has placed 17th out of top 20 institutions of JSC exam in Rajshahi Board. Again all praises be to Allah, like another passed years, this year the Annual Magazine of the institution is going to be published soon. This publication will provide opportunity to today's little pen warriors to be tomorrow's renowned writer. It will also give lucid entertainment to the readers of it.

I will always remember them who have extended their helpful hand to publish the magazine. Their financial, physical and mental support is undoubtedly praiseworthy. I express my warm and heartiest gratitude to our a benevolent guardian Mr. Md. Fazlul Haque, honorable DG, BIAM Foundation, Dhaka and Mr. Md. Ashraf Uddin, DC, Bogra for their kind approval, necessary instruction and advice for the magazine. I also convey my special thanks to all of the respectable GB members for their sincere co-operation.

I must not forget to thank the magazine committee for their whole hearted effort behind the publication of the Magazine. My gratitude is to all of my dearest colleagues for their sincere co-operation.

Above all my profound love and affection is for my little sweet angels who have played the key role to publish the magazine "The Lenient".

May Allah's best blessings be always with us!

**Md. Nurul Islam**

**Lecturer, Bangla**  
BIAM Laboratory School & College Bogra

## Editorial

The publication of this magazine is a milestone in the progress and maturity of BIAM Laboratory School and College Bogra. It has uncovered different achievements since its inception in 2004. This is The time of great changes. In education too we can see vast changes. A student today, is the real person with feelings of self-respect, sensitivity, responsibility and compassion. We need to recognize, appreciate and promote the fine blend of sensibilities in a child and thus, this magazine is to be viewed as a launch pad' for the children's creative urges to blossom naturally. As the saying goes-mind like parachute, works best when opened. This humble initiative is to set the pudding minds free, allow them to roam freely in the realm of imagination and experience to create a world of beauty in words.

It is an institution wherever students are optimistic with their full activities. Cherishing this, it continues to publish 2nd issue of annual magazine "**The Lenient**" which has provided a platform of the juvenile talents to express their feelings, views and ideas. Such an endeavor will help the students to cultivate much competency, multiple qualities and enlarge the outlook along with academic progress.

My heartfelt thanks and gratitude is to Principal sir, editorial committee, students and teachers for their immense help in breathing life into these pages.

I wish the progress of BLSC Bogra.
